

Dear Sir/Madam,

**Sponsorship for the “National Space Imaging Payload Competition”**

In the event of World Space Week: Malaysia Chapter, CYBERNET MALAYSIA is organizing a space themed event; “National Space Imaging Payload Competition” which offers a distinctive platform for both the academic and industry professionals to demonstrate their optics engineering skills and bring innovative design ideas to life. This event is fully supported by the Malaysian Space Agency, UNISEC-Global, and the Universiti Teknologi MARA (UiTM).

We are pleased to invite you to be a part of this initiative by becoming a sponsor and enjoy an array of benefits including extensive brand exposure throughout the event. **Sponsorship slots are limited and by invitation only.** Please select your desired package from overleaf and send us the signed sponsorship confirmation form annexed at the end of this letter as soon as possible to ensure maximum exposure.

Participants of this competition will be challenged with designing a high-resolution CubeSat camera lens using Computer-Aided Engineering (CAE) simulation software. They will compete for cash prizes while also having the chance to network with industry professionals and explore career opportunities in the space industry. CYBERNET MALAYSIA is providing complimentary software licenses to all participants, along with training and technical consultation.

More details about the competition can be found in the attached brochure.

We look forward to your support to make this event a successful one

Sincerely,

**The Organizing Committee**

Cybernet Systems Malaysia Sdn.Bhd.
